This work is supported entirely by Tithes and Freewill Offerings, as the Holy Spirit lays it upon honest hearts, that love Jerusalem, to have a part with us in the Master's Work, awaiting His soon returning to the Mount of Olives, where He departed, ascending to the Father.

"And it shall come to pass in the last days that the mountain (government) of the Lord's house shall be established above the hills and all nations (the people of all nations), shall flow into it. . . for out of Zion shall go forth the Law and the word of the Lord out of Jerusalem." — Isaiah 2:2, 3.

The phrase: "In the last days" (Isa. 2:2, 3) never refers to the Millennium, but always to this Gentile Age. Send contributions by personal check, bank draft or Express money order.

THE COMING INVASION

An open letter to

Sir:

This is warning! You and the rest of the Communist world, who have defied the God who created you, and have persecuted and murdered millions of Christians and plotted Israel's destruction, BEWARE. The God of the universe is nearly finished with taking your abuse. You and your comrades are destined soon to lead your nation into total disaster as reward for the evil you have perpetrated.

Your doom was foretold some 2,570 years ago, as God, whom you deny and hate, spoke through His prophet Ezekiel. If you can track down a Bible somewhere in Russia, you will find the account of your impending judgment in chapters 38 and 39 of Ezekiel, in the latter part of the Old Testament. Just prior to this section, in chapter 36 and 37, The regathering of Israel as a nation is foretold and described. The next two chapters, 38 and 39, proceed to tell how God is going to allow you to enter the land of Israel, not for glory, not for plunder, but for JUDGMENT.

God is the Judge and the Sovereign Ruler of His entire universe. You have blasphemed and slandered your Sovereign. You have plundered, castigated, and murdered millions of His subjects from the Baltics to the China Sea. And you have meted out special persecution to those who love and serve His

hilation.

God is righteous. He would be unrighteous to ignore your crimes and . . . take account of you. . . . He said, "LE-SURE, your sin will find you out."

In another place He said:

"Whatsoever a man soweth, that shall he also reap."

And you are about to reap your judgment — in Israel

God says He will be waiting for you in Israel in the latter years. And who can deny that these are the latter years of this age? You plan for the coming age of Communist Utopia, world-wide, with God banished from this earth. But God promises the Millennium, with His Son, Jesus Christ, ruling as KING OF KINGS and LORD OF LORDS. Who do you suppose is right?

Concerning you, or your successor, God said to the prophet Ezekiel, "Son of man, get thy face against Gog, of the land of Magog, the chief prince of Meshech and Tubal, and prophecy against him, and say, Thus saith the Lord God; Behold, I am against thee, O Gog, the chief of Meshech and Tubal: And I will turn thee back, and put hooks into thy jaws."

Magog Meshech, and Tubal, spoken of here, were three sons of Japheth, who was one of the sons of Noah, who survived the great Flood. These three sons of Japheth are said to be the progenitors of the races inhabiting Eastern Turkey, Russia and much of Siberia.

Notice that God speaks of your impending

He will bring you, with your "army, horses and horsemen," down into the land of Israel. Your unholy purpose is also described. Your predator nation is out to take prey, and take prey in Israel, and in Jerusalem, home of Christendom and Judaism.

You were dealt a small surprise in Israel in June of 1967. You and your Politburo are the ones who have promoted the vengeance, the hatred, and the arming of the Arab nations against Israel. You are as interested in destroying Israel as you are in destroying Christendom. You were undoubtedly greatly surprised to see the tiny nation of Israel crush the imposing but not-so-great Arab confederation of nations. Be assured of this: it was something more than the economic power and the military prowess of the Israelis which put the Arabs to flight. It is God who both prospers world empires and calls them into judgment.

We understand that you are rearming Egypt and Syria, along with other Arab nations, for further battle with Israel. You have declared, with your peace-gilded hypocrisy, that you will put everything you have behind the Arabs against Israel. According to the prophecy in Ezekiel, we declare that the Arabs will never overcome Israel. God would defeat the British Empire not on the banks of the Thames, but on the banks of the Yangtze, the Banges, and the Nile. The Prophet Ezekiel, on the other hand, forecasts that the anti-god Russian Empire will meet defeat not on the banks of the Volga but on the banks of the Tiber.

In fact, you are soon to realize that the situation is so serious that you will need to use the armies of Russia, and others, to win this war you are perpetrating in the Middle East.

God says here through Ezekiel, that PERSIA, the present Iran, will be with you, besides "Gomer and all his bands; the house of Togarmah of the north quarters, and all his bands."

Gomer, spoken of here, was another son of Japeth (you can review his genealogy in chapter ten of Genesis), and Togarmah was a son of Gomer. Gomer is said to have settled the area that is now East Germany and Poland, and Togarmah later went south into what is now Western Turkey. So it appears that East Germany (Poland, Turkey and Iran will be going with you down into Israel "together with their bands" — which possibly will include other Central European countries you have enslaved.

Just how soon this will happen we do not know, but it cannot be very far distant. You have set your mind to take Israel, and no doubt you have other plans to seize the Arab

nations.

But take heed: here is another warning to you from God, which He spoke through the prophet Zechariah. He said: "Behold, I will make Jerusalem a cup of trembling unto all the people round about, when they shall be in the siege both against Judah and against Jerusalem. And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be CUT IN PIECES, though all the people of the earth be gathered together against it." — Zec.

God warns here that all who lay hands on Israel shall be "CUT IN PIECES." Egypt and the other Arab nations have already been cut in pieces by God's defense of Israel. And if they renew the war, even with twice the armour and with much wiser and braver leadership, they will again be cut in pieces, most likely in a much greater way, just as surely as God is real. And when you bring your great armies down from the north, they will

THUS FAR and no further

be cut and quartered and fed to the wild beasts of the field. — See Ezekiel 39: 17-22.

It is positively dangerous to touch God's chosen nation. To Abraham, Israel's founder, God said: "I will bless them that bless thee, and curse him that curseth thee." — (Genesis, 12. 3).

God has great plans for Israel, and He doesn't plan to allow you or anyone to stop Him.

It's quite plain to see why you desire to seize the Arab nations, and destroy Israel. After all, Israel is the great ancestral home of the world's great faiths, Christianity and Judaism. It would be quite a psychological victory. Then also, the Dead Sea in Israel is estimated to contain dollars 1,270,000,000,000 (one trillion, two hundred seventy billion dollars) worth of minerals. The potash alone in the Dead Sea would fertilize the land of the world for several centuries. This would give you a tremendous economic advantage over
