CHAPTER 11

And there was given me a reed like unto a rod: and the angel stood, saying, Rise, and measure the temple of God, and the altar, and them that worship therein.

But the court which is without the temple leave out, and measure it not: for it is given unto the Gentiles: and the holy city shall they tread under foot forty and two months.

And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and threescore days, clothed in sackcloth.

These are the two olive trees, and the two candlesticks standing before the God of the earth.

And if any man will hurt them, fire shall proceed out of their mouth, and devoureth their enemies: and if any man will hurt them, he must in this manner be killed.

These have power to shut heaven, that it rain not in the days of their prophecy: and have power over waters to turn them to blood, and to smite the earth with all plagues, as often as they will.

And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them.

And their dead bodies shall lie in the street

ified. continued

9. And they of the people and kindreds and tongues and nations shall see their dead bodies three days and a half, and shall not suffer their dead bodies to be put in graves.

10. And they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt on the earth.

11. And after three days and a half the Spirit of life from God entered into them, and they stood upon their feet; and great fear fell upon them which saw them.

12. And they heard a great voice from heaven, saying unto them, Come up hither. And they ascended up to heaven in a cloud; and their enemies beheld them.

13. And the same hour was there a great earthquake, and the tenth part of the city fell, and in the earthquake were slain of men seven thousand: and the remnant were affrighted, and gave glory to the God of heaven.

14. The second woe is past; and, behold, the third woe cometh quickly.

15. And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever.

16. And the four and twenty elders, which sat

and worshipped God,

17. Saying, We give thee thanks, O Lord God Almighty, which art, and wast, and art to come; because thou hast taken to thee thy great power, and hast reigned.

18. And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldest give reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great; and shouldest destroy them which destroy the earth.

19. And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were lightnings and voices, and thunderings, and an earthquake, and great hail.

EXPLANATION

This chapter from verse one to 13 deals almost exclusively with the "Two Witnesses," which we shall take up first. It will be seen from verse 3 that these two witnesses were to prophesy a thousand two hundred and three score days clothed in sackcloth. Sackcloth represents humility, and prayer, entire dependence on heaven for survival, and suggestive of a period of danger, during which time they were to prophesy. This is a period of 1260 years as one day stands for a year in both Daniel and the Revelation.

Notice also in verse 2 that the court without the temple was given to the Gentiles, and the Holy city was to be trodden down for this same period, of 42 months, 1260 days or years. The Bible month anciently was 30 days, as previously proven, in dealing with the Book of Daniel. In Genesis we are told that the flood lasted 150 days, while in another scripture it says the flood lasted five months, showing us that the Bible month was a 30 day month.

This 1260 year period is also set forth in Daniel, and repeatedly in following chapters of Revelation, representing the period when the Beast power ruled, and when the church was driven into the wilderness, as given in the next chapter.

"And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and threescore days, clothed in sackcloth."

"These are the two olive trees, and the two candlesticks standing before the God of the earth." Rev. 11: 3-4.

We will now deal with the two witnesses. Many people believe that these two witnesses are Moses and Elijah, because Moses by the power of heaven turned the water to blood, while through Elijah's prayer the heavens retained the rain. Others claim it will be Enoch and John etc.

Brother Clyde Wilson of Brookhaven, Miss. U.S.A. writes as follows regarding these two witnesses, — "Vise Bishop Corbett, of the Pentecostal church of Zion was talking with me at Frenchlick, Indiana during a conference there. He said, 'Brother Wilson, I have heard seven men teach about the "Two Witnesses," and each one of them taught it a different way. But

the Word does not teach the same subject seven different ways'."

As Brother Clyde Wilson takes the Bible only for his decisions on sacred matters, his explanation of these witnesses agrees perfectly with the writer. Therefore we are going to give you what he recently wrote us on the subject.

He writes as follows, — "Does the Bible give us the answer?" Yes. Let us notice the fourth verse, "These are the two olive trees, and the two candlesticks standing before the God of the earth." Rev. 11: 4.

Now John tells us these two witnesses are the two olive trees and the two candlesticks standing before the God of the earth.

Well, at last, we have a starting place. Now if we can find out who or what the two olive trees and the two candlesticks represent, we have the answer. The book of Revelation is written in (symbols) and the Bible interprets its own symbols. Now, let us find the answer, who or what are the two candlesticks.

"And I turned to see the voice that spake with me, and being turned, I saw seven golden candlesticks;

"And in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle." Rev. 1: 12-13.

In the following, we find the interpretation of the candlesticks.

"The mystery of the seven stars which thou sawest in my right hand, and the seven golden candlesticks. The seven stars are the angels of the seven churches; and the seven candlesticks which thou sawest are the seven churches." Rev. 1: 20.

Now we positively have it half made. John tells us that the (candlesticks) are churches. Rev. 11: 4. We have two candlesticks which are two churches, the (old) church originating through (Abraham), known as Israel and that the (new) testament church, originating through the Messiah mentioned 12 times as the "Church of Elohim" the only two churches that have ever been in the world.

Now let us see what else we can find out about the candlesticks.

"And the angel that talked with me came again, and waked me, as a man that is wakened out of his sleep.

And said unto me, What seest thou? And I said, I have looked, and behold a candlestick all of gold, with a bowl upon the top of it, and his seven lamps thereon, and seven pipes to the seven lamps, which are upon the top thereof.

And two olive trees by it, one upon the right side of the bowl, and the other upon the left side thereof." Zech. 4: 1-3.

Now we have (one) candlestick and the (two) olive trees standing by it, one on the right side thereof and one on the left side thereof.

We have learned a (candlestick) represents a church. We have the old covenant church here, the only church there was at that time, and the two (olive trees) standing by the one church.

*Myti wa mukya an in
Israeli*

talked with me, saying, what are these, my Lord.

"Then the angel that talked with me answered and said unto me, Knowest thou not what these be? And I said, No, my Lord." Zech. 4: 5.

Zechariah was very curious to know what the candlesticks and the (two olive trees) were.

"Then answered I, and said unto him, what are these two olive trees upon the right side of the candlestick and upon the left side thereof?

And I answered again, and said unto him, What be these two olive branches which through the golden pipes empty the golden oil out of themselves?

And he answered me and said, Knowest thou not what these be? And I said, No, my Lord.

Then said he, These are the two anointed ones, that stand by the Lord of the whole earth." Zech. 4: 11-14."

Now Zechariah positively identifies these (two) olive trees to be the (two) olive trees (both) John and Zechariah had seen standing by the Lord of the earth.

We still haven't found out what the two (olive) trees represent.)

Jeremiah positively identifies them by name:

"What hath my beloved to do in mine house, seeing she hath wrought lewdness with many, and the holy flesh is passed from thee? When thou doest evil, then thou rejoicest." — Jer. 11: 15.

One thing I would like to establish here is who is the Lord's beloved? The Lord is speaking here to Jeremiah about his beloved.

"As concerning the gospel, Israel are enemies for your sakes: but as touching the election, they are beloved for the father's sake." — Romans 11: 28.

The twenty-eighth verse proves Israel and Judah are the beloved of the Lord which Jeremiah is speaking of.

"The Lord called thy name, a green olive tree, fair, and of goodly fruit: with the noise of a great tumult he hath kindled fire upon it, and the branches of it are broken." — Jer. 11: 16.

— Jeremiah identifies Israel and Judah by name.

The Lord called thy name a green olive tree (and so Israel and Judah are the two olive trees) standing by the Old Testament church, and the New Testament church, natural Israel and Gentiles adopted (or) grafted into the Israel family.

"For the Lord of hosts, that planted thee, hath pronounced evil against thee, for the evil of the house of Israel and of the house of Judah, which they have done against themselves to provoke me to anger in offering incense unto Baal." — Jer. 11: 17.

The seventeenth verse positively proves Jeremiah is talking about Israel and Judah.

"For I speak to you Gentiles, inasmuch as I am the apostle of the Gentiles, I magnify mine office." — Roman 11: 13.

Paul uses the whole eleventh chapter of Romans explaining how the Gentiles get into Is-

"And if some of the branches be broken off, and thou, being a wild olive tree, wert grafted in among them, and with them partakest of the root and fatness of the olive tree." — Romans 11: 17.

If Paul was here, he would certainly stand with me. Paul uses the wild olive tree here as a symbol of the Gentiles. Paul knew that the olive tree was a symbol of Israel and Judah. — Jeremiah 11: 16 — and used the same symbol referring to the Gentiles as a wild olive tree.

"For if thou wert cut out of the olive tree which is wild by nature, and wert grafted contrary to nature into a good olive tree: how much more shall these which be the natural branches, be grafted into their own olive tree?" — Romans 11: 24.

The only way any Gentile can get into the kingdom is to get in through Israel.

"And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise." — Gal. 3: 29.

Now, John saw Israel and Judah standing by both old and new testament churches. Therefore, both the old testament and new testament churches are Israelite churches and there is no Gentile church outside Israel and Judah. Now we have two men involved.

"And they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt on the earth." — Rev. 11: 10.

Now these two prophets represent Israel and Judah just like Arthur Goldberg represents the United States before the United Nations or just like any one of our Ambassadors represents the U.S. in any foreign country. These two men are in the Laodicean church period. That is the last church representing Christ on earth. — Rev. 3: 14-22.

These men are evidently alive and here on earth today, and if we knew them by name, I am sure we are acquainted with them.

Elder Clyde C. Wilson

Brookhaven, Miss.

The church of the Old Testament, the Jews and Israel scattered all over the world have been witnessing during this 1260 year period clothed in sackcloth, and the "Church of God" 7th day, composed of Jews and natural born Israelites of the ten tribes, (together) with many (adopted) Gentiles, have also been witnessing under persecution, in sackcloth, during this same period.

Now we come to the point as to how these two witnesses can be (killed,) and for three days and a half lay in the streets of the city which spiritually is called Sodom and Egypt where our Lord was crucified, not permitted to be buried, and then ascend up to heaven in a cloud. Their enemies beholding them are struck with

our Lord was crucified. Verse 8. We know He was not crucified in Egypt, but in the portion of Jerusalem (held) by Egypt and her allies, which it says is, - "Spiritually called Sodom and Egypt." In speaking of this portion of Jerusalem to-day in a spiritual way, it is surely like Sodom, (filled with prostitutes, etc. Business of all kinds wide open on the Sabbath; and a stream of busses, trucks, and cars, pouring in and out on all sides, desecrating the day blessed of the Almighty. It is also this East portion of Jerusalem that will be taken in the (final battle) of this age. Zechariah 14. 1 to 4. ✓

Both of these two great churches are represented to-day all over the world, and also here at Jerusalem. We understand how every nation on earth is represented by their ambassador. What that representative or Ambassador says concerning his country, it is that country speaking, and spoken of, and published as such. There (will) evidently appear two miraculous powerful men here at Jerusalem in the near future, whether it is Moses, and Elijah, (Enoch or John), or someone whom the Creator will (raise) up to fulfill this prophecy, no one can be absolutely certain, (but when they come,) and begin their work, all who have read this book of Revelation, will recognize them, and understand. This will be a blessing to you. Rev. 1: 3. ✓

Verse 5 says, If any man will hurt them fire proceeds out of their mouth and devours their enemies." They have power to turn water to blood, and to smite the earth with plagues, as often as they will. Verse 6. "The wicked will do wickedly, and none of the wicked will understand, but the wise shall understand." Daniel 12: 10.

In verse 6 it says, "They have power to smite the earth with plagues as often as they will." Moses was given power from heaven to smite with plagues before Pharaoh let Israel go. It is (probable) these (two) witnesses (will be here during) the period of the (seven last plagues,) and that through the power given to them, as it was given to Moses, they will smite the Earth with these last plagues.

Note verses nine and ten that all nations of the earth will rejoice, make merry, and send gifts one to another because these two witnesses have finally been killed. This will be reported by radio and television, so all people can see their dead bodies lying in the street. It also shows us that (practically) the whole world will be against Jerusalem, and what is taking place here. People will be in the condition as they were in Sodom and Gomorrah, sin stained, depraved, and blind to things spiritual. It shows further how these two witnesses troubled the whole world, by their spiritual power given them by the Creator and all people of the earth were affected, troubled, and fearful of the power of these two witnesses, just as all Egypt was in the days of Moses. This is why such great rejoicing takes place when they see their dead bodies by television, and thus believe they will trouble them no more. ✓

These events bring us to the end of the second

woe. Verse 14, or the sixth trumpet, and to the kingdom for when the seventh trumpet sounds great voices, (perhaps) in every language on earth, are heard saying, - "The kingdoms of this world have become the kingdoms of our Lord and His Christ, and He shall reign forever and ever." Verse 15. This ushers in the "Kingdom of God." The dead are resurrected, and judged. We note also in verse 18 how the nations are angry, just before the dead are resurrected, as we see them to-day.

The end of this period of seven, brings us to the end of this Gentile age, and the establishment of the Kingdom from heaven. Seven denoting completion, and at the end of each period of seven in this book, we are brought to the climax, the end of the age. (We must read the Revelation thoughtfully,) from one climax to the other. These chapters were arranged by men, and not by inspiration. Therefore, the events of one chapter do not always continue right on into the next chapter.

6,000 FLATS FOR YOUNG COUPLES, SHAREF SAYS

TEL AVIV. — The Ministry of Housing will open registration in September for young couples and some 6,000 dwellings will be made available. This was stated by Housing Minister Ze'ev Sharef at the Tel Aviv Chamber of Commerce and Industry on Friday.

The Minister said that in the last registration, which opened in August 1970, some 6,000 out of the 11,500 couples who registered were provided with housing. Of the 6,000, about a quarter had been provided with flats at monthly rental, another quarter received loans to buy houses on the private market, while the rest purchased Ministry flats.

The Minister said that priority had to be given to families with small incomes.

The Minister noted that 37,000 dwelling units were built in Israel last year, despite the chronic manpower shortage in the building trade. Of these the Ministry purchased 5,000 units — 3,500 of them from private contractors — for immigrant housing.

There are still 54,000 families who live with more than three persons per room, he said, but claimed that there were 110,000 such families in 1959.

Abraham Choosing A Bride For Isaac

No Canaanite woman would do for the son
Through whom God had promised to bless every one;
So Abraham's servant was sent to secure
For Isaac a bride who was spotless and pure
Ten camels, all laden with raiment he took
To give to the woman for whom he did look,
And vessels of silver and jewelry rare
For her whom he found to be holy and fair.

Arriving at Nahor, he earnestly prayed
That God in His mercy would grant him His aid,
And bring to the well where the camels had knelt
A damsel whose heart for their weariness felt
Who would as she drew its waters for him.
The trough for the camels fill up to the brim,
By which he would know she was surely the one
That God had appointed for Abraham's son.

Before he had come to the end of his prayer,
Rebekah, a damsel most comely and fair,
Whose life was without either blemish or flaw,
Came out with her pitcher some water to draw.
He hastened to meet her and asked for a drink.
She willingly gave it and also did think
To offer to draw for the animals too.
That she was the woman he sought he then knew.

He gave her some presents and asked of her kin,
And Laban her brother invited him in.
He told them of Abraham's riches and gold;
Of Isaac who came when his mother was old;
His mission of seeking a bride for the heir,
The wealth and the wonders of Canaan to share;
And proved what he said to be certain and true
By bringing the gifts on the camels to view.

Rebekah decided her kindred to leave,
Although at her haste they did sorrow and grieve;
And back with the servant to Canaan she went
And of her decision did never repent.
For Isaac did meet her as Canaan she neared,
Becoming her husband beloved, revered,
Who shared all the riches his father did give,
And happy in Canaan with him she did live.

The Father who dwelleth in Heaven above
Is seeking a wife for the Son of His love,
And servants of His He will faithfully guide
To souls He is calling to form His pure Bride.
His Spirit is striving to woo and to win
Seeking to make her all glorious with in;
And all who will hearken to His gentle voice
Haste virgins become in the Church of His choice.

He declared that he would gather the remnant of his
Flock out of all countries where he had driven them, and
He would set shepherds over them to feed them, and they
could never more be dismayed. These PASTORS AND
SHEPHERDS, must come forth from "THE DAUGHT-
ER OF JERUSALEM," Micah 4:8, from those who have
held up the torch of light, down through the centuries of
the past, described in Rev. 12:17.

"And thou O tower of the flock, the strong-hold of the
DAUGHTER OF ZION unto thee shall it come—even
the first dominion—THE KINGDOM SHALL COME
TO THE DAUGHTER OF JERUSALEM." Micah 4:8.
"Fear not LITTLE FLOCK for it is your Father's good
assurance to GIVE you the kingdom." Luke 12:32. The
daughter of Zion, or the daughter of JERUSALEM is

this BRIDE.

"I have likened 'THE DAUGHTER OF ZION' to a
comely and delicate woman." Jeremiah 6:2. Rev. 12.

"Behold the Lord hath proclaimed UNTO THE END
OF THE WORLD, say ye to the DAUGHTER OF
ZION, thy salvation cometh, behold his reward is with
him, and His work before Him." Isaiah 62:11.

"The REMNANT of Israel shall not do iniquity, NOR
SPEAK LIES, neither shall a deceitful tongue be found
in their mouth. For they shall feed and lie down and none
shall make them afraid. Shout O Israel. Be glad and re-
joice with all thy heart O Daughter of Jerusalem." (Ze-
phaniah 3:13, 14).

From broken up, and discouraged fragments, hearts are
turning Zionward. All isolated members and Sabbath
keeping groups are invited to write us and become a unit
in the Church of His CHOICE.

THESE ARE WONDERFUL DAYS

Now we see verse three of Micah's prophecy being
most wonderfully fulfilled, and the: "REMNANT of
His Brethren returning to the Children of Israel". —
(Micah 5:3). NOTE: the preceding verse: — "But
thou Bethlehem Ephratah, though thou be little among
the thousands of Judah, yet out of thee shall He come
forth unto Me that is to be ruler in Israel, whose going
forth have been from of old, from everlasting." This
is very definitely the prophecy concerning the birth of
Yahshua (Jesus) in Bethlehem.

Notice the next verse: "He shall give them up (the
Jews) until the time that she which travaileth hath
brought forth. THEN the REMNANT of His brethren
shall return to the children of Israel." He did give up
the Jews and they were led captive into all the world.
(Luke 21:24). They have been passing through this
long travail. The final birth-pain for deliverance was
the persecutions by Hitler when it is claimed six mil-
lion perished. Then deliverance came. The New Na-
tion Israel was born. He gave them up, "Until she
which travaileth hath brought forth." Truly this na-
tion was born. The prophet pre-announced that THEN
the remnant of His brethren would return to the
Children of Israel.

They could not return if they had not been there
before. Hence we are told here, that the True Gentile
believers all over the world, are going to return. They
are returning to the very faith, and truth of the early
Jewish church in the days of the Apostles, when they
were a Sabbath-keeping family, through whom mighty
miracles were wrought. This Church is to: "Come be-
hind in no gift, as we await the appearing of Yah-
shua (Jesus). — I Cor. 1: 5 to 7.

PLEASE DO NOT FORGET!

Your entrance into the Kingdom will be blocked, and
the door closed against you for: judging and condemn-
ing one-another. (Luke 6:37). For carrying a reproach
against your neighbor (Psalms 15:1 to 3). For smitting
(knocking) your fellow-servant. (Matt. 24:49). For hat-
red, variance, wrath or strife. (Gal. 5:20, 21).

bringeth good tidings of good." (Isa. 52:7). — Editor

MEMORIES OF PAST EXPERIENCES IN THE GOSPEL WORK

By THE EDITOR

While in route to Jerusalem thirty nine years ago with my wife and three small children, we spent some time in Egypt and explored the big Pyramid.

Having my own camera I snapped the accompanying photos of my wife and three children with the Egyptians who accompanied us with their well trained camels, that lie down for getting off, as you see in the picture.

You observe just above my wife's head and to the left a hole into the pyramid. By the removal of a stone there a few years ago it was discovered that the pyramid was hollow and it has since been explored and books written about the mystery of the interior. My son Andy, center in picture above, who is now with us here with his wife and eight children, went with me and held one end of the string as we measured the grand gallery, and the different rooms and low passages. These in pyramid inches and feet, preannounce the length of the period of Gentile times to the beginning of the end of Gentile nations, marked by world war number one which began the year 1914.

Prior to our visit to Egypt, I had read two books on the wonders of the pyramid by Lincoln McConnell, a noted Baptist minister, and Dr. Rust, which greatly aroused my interest and led us to this personal exploration. We read in Isaiah 19: 19, 20, as follows: "In that day shall there be an alter to the Lord in the midst of the land of Egypt, and a Pillar at the border thereof to the Lord. And it SHALL BE FOR A SIGN and for a witness unto the Lord of Hosts in the land of Egypt."

Going through the above hole we descended roughly down the steep incline into the large opening, and on to the bottom. From where the grand galery goes up ward on an incline like a huge stairway. It is lined with great granite stones about 90 feet long and 5 feet high, laid on the same slope as the stairway (Grand Galary). The baptism of our Messiah is also illustrated, in pyramid feet and inches reaching to the proper date according to the scriptures, and also to the grave (Tomb in the rock) which according to Lincoln McConnell measured to the middle of the week, or Wednesday, date of crucification.

We measured the grand gallery which goes up to the year 1914, and ends there. This is why even before that war it had been published by pyramid writers that something of a world shocking nature would take place that year. This also agreed with the prophecies of the Bible as they were taught by my own father, and other prophetic students long before 1914.

Then we had to stop down and almost crawl through the low passage the measurement of which in pyramid feet exactly measured the duration of that war, to where we entered a large room. Explorers have given it the name

of the "Queen's chamber." The distance through this room to the next low passage, was almost 20 pyramid feet, which also marked off the years to the second world war, the second stroke at the destruction of Gentile nations, which also has come to pass.

Effie mounted on the camel holding Orabelle, an Arab with Andy on the other camel; an Arab also holds Naomi, while I snap the picture.

These original photos were put on slides for stereopticon views. Then taken from the slides on to negatives.

It was difficult to get this done here, consequently the pictures are not first class as we would like.

The great stone face to the left is known as one of the seven wonders of the world. It was left standing after the rock was quarried from around it to build the outside of the pyramid.

As we passed through this low sealed depression, we entered a very small room in which we could stand erect, but it was only about 4 pyramid feet across. It was rather a surprise, because such a room was not mentioned in either of the two books I had previously read about the pyramid.

There are various pyramid expositors now who hold to different views concering this small room after we pass through the second low passage, which as far as I know, all agree represent the two world wars. In-as-much as the length of the grand gallery, in pyramid feet from the birth of Christ to the first low passage measure 1914, the year of the beginning of the first world war, it is evident that these other measurements also agree, as we go through the interior of the pyramid to the end.

The one mistake made by Lincoln McConnell and Dr. Rust was in assuming that when we entered through the second low passage into this room, it represented the time when he who was born to be "King of the Jews," (Matt.

GOOD HEALTH DEPARTMENT

The real cause of human disease has been finally discovered: it is the introduction into the human organism of all cooked foods and chemicals.

All scientific data relating to the nutritive values of proteins, vitamins, minerals, etc. are absolute misconception. All vegetable bodies, irrespective of their outward appearance, consist of the same basic constituents. On entering the animal organism, foodstuffs that appear quite different, such as the leaf of the tree, the desert thistle, grains and fruits, are broken down into the same basic constituents, the same raw materials, from which the body then synthesizes new substances corresponding to its needs. Thus, all sorts of vitamins can be constructed from foodstuffs that appear completely devoid of vitamins. For, indeed, the leaf of the tree, in which short-sighted biologists fail to see any recommendable nutrient, satisfies all the requirements of the wonderful body of the giraffe.

The lust for cooked food is not altogether hunger; it is the demand of addiction for materials killed by cooking.

Remarks from the Editor

There is an intelligent reason why hospitals everywhere are full and overflowing with sick folks. Our bodies are most wonderfully made, and will stand a lot of abuse before they break down. Most of this abuse comes from wrong eating. With natural food as the Creator gave it to man, our bodies will fight off most all disease germs without the least harm to us. When the blood stream becomes polluted with excessive substances from over-eating, because of richly seasoned and tasty cooked food, and by eating unclean meat forbidden in the scriptures, you are in a dangerous state.

I remember very distinctly a lecture on health given by Dr. Kellogg of the famous Battle Creek Sanatorium of Michigan, U.S.A. in which he showed a moving picture of the blood stream of a healthy person, and also that of a person living to eat, who ATE ONLY ACCORDING TO TASTE, and not according to knowledge of what was good and what was not.

The white corpuscles of the blood are living organisms that destroy impurities of the blood. When many are accumulated in one place we call them "matter". In this moving picture you could plainly see the white corpuscles magnified to about the size of a very large grain of corn.

You could see them opening and closing their mouths as they fought each other in scampering for food of which there was very little in the artery of pure blood from a healthy person

who abstained from unclean meats, and lived largely on fruit and vegetables.

The picture of the blood flowing through the artery of the person who did not regard the laws of health laid down in the Bible, whose diet was largely of meat of any kind, rich pastries, sweets, etc., was indeed startling, but seeing is believing. The white corpuscles were fat and plump while the others were lean and thin. These moved very slowly in grabbing for their food. It was all around them in abundance. There was no fighting or jumping around over the food, for there was plenty of this filth, about them, and so much they could not possibly consume it, and thus cleanse the blood stream and make it pure.

I have never forgotten this sight, and the memory of it has been of great value in my careful selection of natural foods, which go a long way in assuring for us good health as the Creator intended.

From Mrs. Paul Carpenter, 93,
the Editor's Sister,
strong and in perfect health.

She writes:

"I eat my vegetables, and fruit, raw. I love vegetables; they are as good as fruit. I use a little old wooden bowl and chop them with an old fashioned hand chopper with two blades on it. I have gotten to these three vegetables: carrots, cabbage and celery. I get them real fine, then use mazola corn oil, lemon juice, and grandmas molasses for salad dressing. Grandmas molasses has no sulphur or other things added. I call it, "Golden Age Salad" — you can eat it without teeth or with false teeth but must go through the chewing process, as the saliva is a digestive juice and is needed.

I cut or chop these quite fine with a kitchen knife. Then use the hand chopper till they are fine and juicy after dressing is added.

I put the carrots through the grinder but not the others. I even chop the carrots finer after they come through the grinder.

Today I had only cabbage and celery, but made them up. Sometimes I have only cabbage but make my salad just the same.

MICHIGAN. —

I get monitor radio station Kol Israel (9625 kc.) on my short wave radio regularly — also Cairo, Moscow, Havana, Peking and the European stations, for obvious reasons. The Communist led "revolution" in the U.S.A. is scheduled for 1972. As of now it looks very feasible, too, Cuba is now training many of our "lost" young people towards that goal.

The general worldwide Communist slogan is "The West is thru' in '72." Satan is certainly working hard now that his time is growing short!

Please put our name on your mailing list now anything you may publish in the future.

You are most certainly doing the Lord's work in bringing the true religion to the Jews!

Dear Brother Dugger,

I wish to thank you very kindly for the "Mt. Zion Reporters". These papers seem to be getting better and better every month. I don't know what I would do without them. They are really wonderful.

Dearest Brethren,

We certainly have a Great Big Wonderful Creator for our Father. How I love to see the Sabbath come, so I can spend it with the children of God.

We may have to be in the world all week but praise Him we can have a rest with Him and His called out voice.

Sister Francis Clifton and I had a very enjoyable day with your daughter Orabell, a few weeks ago.

Well dear ones, the wicked should understand what the scriptures mean by fire by now, with all the fires we have had around us. Several of our brethren in the church were right in the midst, with homes burned all around them and the fire came within a few feet of their homes and they were evacuated but God saved their homes.

You should hear their testimony.

So, now loved of God, I'll close with all prayers for your safety.

Sister Hedrick.

Dear Mr. Dugger,

I have the honour to tell you that I have already received your astounding magazine "The Mount Zion Reporter" of October 1970, but not the November and December issues. Indeed

I am so enthusiastic to read its valuable topic which amazed me so much. I would very much appreciate if you could provide me with the Magazine regularly.

Expecting to receive the outstanding two issues as soon as possible, I thank you in advance.

With best regards,
Sincerely yours in Christ

EAST AFRICA. —

Dear Elder Dugger,

I wish to thank you for keeping my name all these months in your monthly mailing list for a free copy of the "Mount Zion Reporter".

The magazines has made me to turn my back upon the world and its sin for ever, and I have believed the promises of God's word, and I have made Christ my choice. In doing so, I have the hope of experiencing His power in my life.

Since I started reading the magazines, I have greatly been rewarded, a reward that the world cannot take away from me. My soul has been enriched and I see always in my heart my Saviour saying: "I am with you always."

Men, women, boys and girls in my town here are both hungry and thirsty for the tracts and magazines. Please do not delay in sending me the tracts and the book "History of the True Religion" for I am worried without this book and the tracts to distribute.

Dear Brother,

Some twelve to fifteen ministers are now meeting three times yearly with their groups for these marvelous services.

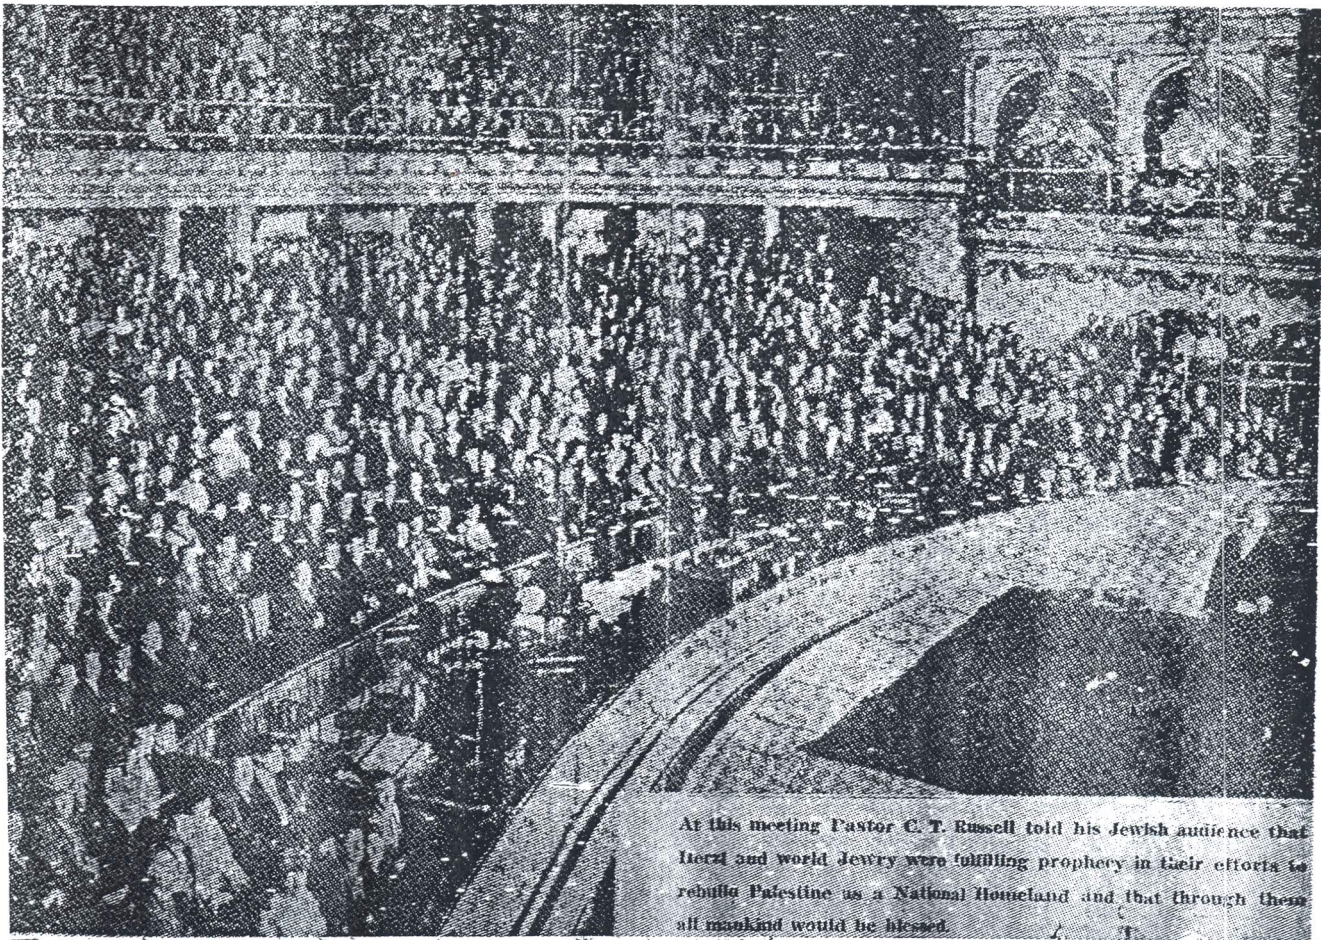

During the month of March God has done great and mighty things for us here. He baptized five in one week with his blessed Holy Spirit as he did on the Day of Pentecost in Acts two.

We are anxious to get the new copies of "The Reporter".

May God really bless you.

THE MYSTERIOUS CHANGE SWEEPING OVER THE JEHOVAH WITNESS-WATCH TOWER PEOPLE CONCERNING ZIONISM

At this meeting Pastor C. T. Russell told his Jewish audience that Israel and world Jewry were fulfilling prophecy in their efforts to rebuild Palestine as a National Homeland and that through them all mankind would be blessed.

SEEN HERE ADDRESSING MEETING

PASTOR CHARLES T. RUSSEL
predicted Israel's rebirth as prophetic

The leaders of this fast growing organization have betrayed their very founder Pastor Charles T. Russel, who was strongly pro-Zionist, and advocated the scriptural truth concerning Israel's return to the Holy Land in the closing days of Gentile times.

This accompanying picture of Pastor Russel addressing a great gathering in New York city at the "Hippodrome". A Jewish committee composed of noted Jewish leaders invited Pastor Russel to address this vast gathering, because of their knowledge of his sympathetic interest in the Jewish people. They stated in this invitation that his discourses on Jerusalem and Jewish hope had struck a responsive cord in the hearts of many of their people.

Pastor Russel accepted the invitation and this gathering took place on October 9th, 1910.

The following was taken from "The United Israel Bulletin": "It was a unique event at the 'Hippodrome' which was jammed to the doors." Pastor Russel started out by saying that prophecy is proving itself through the Jewish people by whom "the blessing will extend itself to every nation, people, kindred and tongue in full accord with the Divine promise and oath made to Abraham more than thirty centuries ago."

"If th

30
1910-11
1890
1910
"Thirty years ago (1880)," he told the Hippodrome audience, "I attempted to tell Israel the good tidings that God's set time to remember Zion had come. But that seemingly was too early... About twenty years ago (1890) Providence raised up a great leader, Dr. Herzl, whose name is now a household word with your race. While your people were unready for any message that I could give them," he continued "they were ready for what God sent them through Herzl — a message of hope, a message of national aspiration which quickened the pulse of your people into new hope respecting the future of the Jews."

Before an enthralled audience, Pastor Russel went on to say that "Dr. Herzl's endeavour was to have all loyal sons of Israel rise from the dust and aspire to be a nation amongst nations and to provide a home for the persecuted of their race in Russia and Eastern Europe. Dr. Herzl," he stressed, "struck the popular chord in the hearts of the people." He then predicted that "Zionism is about to take on fresh vigor; that its most prosperous days are yet to come..."

But, "according to my understanding of the Hebrew prophets, the time of 'Jacob's trouble' is not yet ended. Further pogroms of Russia may be expected, and further atrocities elsewhere..."

The noted Bible scholar then said that "it is sad indeed to be obliged to admit that these tribulations will probably come to you from professed Christians. How ashamed I feel of those who thus dishonor the name and teachings of my Master, I cannot find words to express... They are deluded."

Having set the keynote for the Watchtower in an enthusiastic Zionist speech delivered to Jews, little did Pastor Russel then realize that his successors in the next generation and to this date, would violate his teachings and thus dishonor his name and be among those "deluded."

The present-day Jehovah Witnesses — while keen Bible students — nurtured solely on erroneous translations — have overspiritualized everything biblical in the sense that the Jewish people are not the true "Israel" and that Zionism and the State of Israel, like the worldly U.N. and all governments, are satanic in origin. The "Jehovah Witnesses" themselves, the Watchtower claims, are the real heirs of the blessings attributed to Israel by all the prophets.

Their founder, however, saw biblical prophecy in a realistic light.

Remarks by the Editor

Who is responsible for this mysterious change in the teaching of the Jehovah Witness organization? Is it the Holy Spirit, or an unholy spirit? We are told to "Try the Spirits whether they be of God, because many false prophets are gone out into the world." — 1 John 4: 1.

By what are we to try them? By the opinions of men? If so we are led into worse confusion. "If they speak not according to this WORD it is because there is no light in them." Our Mes-

siah said of this time that many false prophets would arise, and if possible deceive the very elect. — Matt. 24: 24.

He also said that the Jews would fall by the edge of the sword and be led away captive into all nations, and Jerusalem would be trodden down by the Gentiles (not forever), but UNTIL the time of the Gentiles was fulfilled. Now they are returning from all of these nations into which they were scattered.

Ezekiel said: "I will take you from among the heathen and gather you out of all countries, and will bring you into your land" etc. It is this same race that were scattered into all nations that are to be gathered here. Read all of this prophecy Chapter 36, beginning with verse 24. Read also chapters 37, 38, and 39. See Jeremiah chapters 30 and 31.

Note also chapter 32: 37 to 44. The very race that was scattered is the one to be restored.

Pastor Russel was correct. He was led by the Holy Spirit in teaching this truth, because it fully agrees with the Bible. Modern teachers of the Jehovah Witnesses are being led by an opposite spirit, in opposition to the Holy Scriptures, and are therefore false prophets, from whom the elect will withdraw themselves, follow the Word, traveling the narrow way to the kingdom. — Matt. 7: 13 to 15.

It is "JUDAH" that is here when the nations gather against Jerusalem in Armageddon. — Zech. 12: 2, 3; and Joel 3rd chapter. Isaiah speaks of a class who will subscribe themselves Israel. — Isaiah 44: 5.

The Jehovah Witness people are not the only ones, however, that have subscribed the name "Israel" to themselves with the claim that it is their followers who have a right to the Holy Land instead of the literal Israel. The Adventists, Roman Catholics, and "Plain Truth" people make the same claim. It is the race of people, "The seed whom the Lord hath blessed." — Isaiah 61: 9, that are to return to this land before Armageddon.

No other race other than Israel could return here to their own land, it being impossible to return to a place where you have never been.

Hence none of these religious sects who call themselves Israel with a motive of supplanting the real heirs to this land can be the people spoken of in all of these scriptures, to return here in these closing days of Gentile times, against whom all nations are to make war in the final Armageddon.

"Three unclean spirits like frogs came out of the mouth of the Dragon, and out of the mouth of the beast, and out of the mouth of the false prophet. For they are the spirits of devils working miracles, which go forth unto the kings of the earth and to the whole world, to gather them to the battle of the great day of God Almighty... into a place called Armageddon (Megeddo)". — Revelation 16: 13 to 16. — (Dragon — Russia) Beast — Rome and Allies. False Prophet — U.S.A.

These spirits are like frogs, suggestive of water, perhaps controversy over the Canal.

Questions And Answers

Question. —

What do you think about women wearing clothing pertaining to a man?

Answer. —

It does not make any difference what I think about this question, or any other question. It is what the Almighty has said that counts. He tells the women not to wear that which pertaineth to a man. He says this is an abomination to Him. — Deut. 22: 5.

All abominable have their part in the lake of fire. — Rev. 21: 8.

Question. —

What do you thing about sanitary laws pertaining to women as given in the Old Testament?

Answer. —

Again I repeat that it depends on the Bible, what it says, and not on what any man thinks. We read in Matthew 5: 17, 18 that Yahshua (Jesus) did not come to destroy any law, but only to fulfil. He fulfilled the Animal sacrifices of blood offerings for sin, by shedding His own blood. He also fulfilled much prophecy concerning Himself. This all ended by being fulfilled. We have no right, however, to change any of the other laws, precepts, or statutes given by the Creator through Moses. What is stated in Leviticus 15: 24, etc. is good, or it never would have been given.

Question. —

Please explain Rev. 11. Who are the two witnesses?

V. C. L.

Answer. —

Please read the article in this issue on Revelation 11th chapter, and it will answer your question.

Question. —

I find that the unclean meats spoken of in Leviticus 11th chapter are all clean for food. Please give an explanation.

S. V. I.

Answer. —

We wish you would have told us where you have found this. It must have been from some man's writings, for there is no scripture in the Bible that tells us this. Perhaps you have wrongly interpreted the one found in Acts 10th chapter regarding the sheet let down from heaven Peter saw in vision with all kinds of beasts. A voice said to him: "Kill and eat." He said "Nothing unclean or common (verse 14) had entered his mouth."

This was over two years after Pentecost, and he had never eaten any unclean meat. Peter was confused about having company with Gentiles. This is why he was given this vision, as verse 28 clearly states. He said: "I was shown that I should not call any man common or un-

clean."

Let us believe the holy scriptures, and not the words of men. Peter's words are more important than those of any other man. This vision was evidently given to Peter to give people, who wanted their own way in eating, rather than following the Word, an excuse to do so, by reading only part of this scripture and leaving out verse 28, as I have seen many such people do.

There are also a few other scriptures in the New Testament somewhat similar, and they are just as easily harmonized with the truth as this one. Please read Isaiah 66: 15 to 17, and believe just what it says. No changes have been made.

These scriptures stand solid, and cannot be shattered by the cunning devise of men, void of the leading of the Holy Spirit.

Question. —

Is it not a fact that the scriptures teach us, the Jews in Israel will accept the Saviour when they see him coming down from heaven, and therefore do not need to be taught?

Answer. —

The Jews from children, generation after generation back for over a thousands years, have never heard of another Bible called the New Testament. Neither have they ever heard the word Jesus. This has been forbidden very strictly. Hence all they know about Christians is that they hate the Jews and murdered six million in Germany, etc.

They look for their Messiah to come, and when he comes they would accept him only as their Messiah, and not as their Saviour through His shed blood on Calvary, which they know nothing about.

"How shall they call on Him in whom they have not believed, and how shall they believe in Him of whom they have never heard, and how shall they hear without a preacher." — Romans 10: 14.

They are being taught today all over Israel, and prepared to receive Him when He comes as the one who died for them on Mount Calvary.

Read Ezekiel 36: 24 to 27. This is sure being fulfilled. They are gathered here from all lands. They are having poured upon them the water of life (the Bible: St. John 4: 4, 13, 14, etc.). Our readers are having a part in this. Praise His Name.

Now the Holy Spirit is coming into their hearts, and a great change is taking place, just as these verses clearly state.

LIFE IN ISRAEL

By EFFIE DUGGER

Shalom to all "The Reporter" friends.

It is time for me to add my bit to finish the last form of the paper. I am usually glad for a change of occupation and a chance to settle comfortably in a quiet place and try to think what has happened during the past month.

Our pleasant guests of a month ago have departed, one to Paris, one to Holland and one has moved into a more permanent place. We feel blest to have Elder John Kiesz and his wife staying at the guest house now. They seem to be enjoying the sights of the ancient places around: Gethsemane, Mt. Olivet and the Old City etc.

Bro. Kiesz and my husband have always been well agreed on the interpretation of Prophetic Scriptures and have been in contact more or less during the last 50 years. He delivered a timely sermon before the congregation on Sabbath and he and his wife sang several songs which were much appreciated.

Andy's folks took them to see Bethlehem yesterday. They also visited Hebron and went out to see Abraham's farm. They saw the ancient oak tree where Abraham entertained the angels — Gen. 18: 4.

This week they may call on other friends in the valley and may go as far as Galilee and Haifa.

I must confess a mistake which I made in my piece in the May paper when I said that Sharm e-Sheikh was at the entrance to the Persian Gulf. It is at the entrance to the Gulf of Suez instead. It was a silly mistake because Russia is anxious to enter the Gulf of Suez and not the Persian Gulf. I never have viewed the

place from an air plane as Mr. Rogers did while he was here, but one can see by looking at a map that it is a strategic place.

Some very important things have stepped up everyone's concern about the Middle East question. One is the recent 15 year Pact between Egypt and Russia, the other is the entrance of England into the Common Market and the completion of the 10-Nation Confederacy of Europe which, in turn, took a drastic stand against Israel. All of these things point to the fulfillment of Ezekiel 38 first and then Armageddon.

We have always hoped that England and Israel would stay clear of the Common Market but now it seems that England is in. She protests that her stand against Israel does not mean anything.

Also the U.S. thinks that Sadat does not mean anything when he threatens Israel. He only does it to pacify his people. It is hard anymore to know what course to pursue in seeking for peace.

There is an important Prophetic Conference coming up this month when Christian delegates from many nations will discuss what part Israel has in future prophecy. Naturally we are much interested and hope to attend some.

There are so many different ideas current now about a wicked power which will occupy a temple and rule seven years. We have never believed that Israel has been led back here to be deceived and led into apostasy so we must inquire into these matters.

Pray for us and for Israel.

Shalom.

WE LIVED IN JERUSALEM THE SUMMER OF 1932

The year 1932 not only marked the commencement of the rebuilding of Jerusalem on a gigantic scale, but it marked the beginning of hostility against the Jewish occupation, by both England and the Arab nations. England having been given the Mandate over the country by the "League of Nations" stopped the free immigration of Jews, and permitted only a small number to land each month. Ship after ship load was turned back, and many were placed on a concentration camp at Cyprus. This brought on real hostility between the Jews and England.

As 1932 marked the end of the 2520 year cycle period for the dispersement of the Jews among the nations, it seems to have also marked the beginning of the forty year period mentioned by Micah 7: 15 to 17 as follows, "According to the days of thy coming out of the land of Egypt will I show unto him marvellous things. The nations shall see and be confounded at all their might. They shall lay their hand upon their mouth. Their ears shall

be deaf. They shall lick the dust like a serpent, and move out of their holes like the worms of the earth. They shall be afraid of the Lord our God, and shall fear because of thee."

It was a forty year period of Israel coming out of Egypt and dwelling in a wilderness, so there is now to be witnessed a forty year period when the nations will be repeatedly "astonished at all their might." — This has been witnessed by the world in general. — Editor.

JERUSALEM A CUP OF TREMBLING FOR ALL NATIONS

Read Zechariah 12th chapter. Jerusalem is a cup of trembling and a burdensome stone, and will be more so to all nations in a few months. It is wonderful to live now, and to give out "Meat in Due Season." — Are you letting your light shine? Tell your neighbors about these things and warn them of what is now imminent. The MESSIAH is about to return. He stands at the door of your heart, and is speaking to you. (Revelation 3: 20. — Editor.

JEW'S BY THE MILLION

A report that a Jewish group is planning to embark on a campaign of proselytization among non-Jews reminded me of the old story of the Negro gentleman seen on a London bus reading the Jewish Chronicle. A Jewish woman sitting behind him, overwhelmed by her curiosity, tapped him on the shoulder and asked: "Excuse me, but are you Jewish?" Folding his paper with slow deliberation, the Negro turned and asked: "Madam, don't I have worries enough already?"

Missionaries to the Gentiles

The prospects of seeking converts, however, do not seem to daunt the two principal figures in the new enterprise, Dr. Israel Ben-Zeev of New York. Riebenfeld will be remembered by some as publisher of the unsuccessful Revisionist weekly Jewish Standard, which passed a brief life in London some twelve years ago. He moved on to New York where he established a successful reputation as a professional fundraiser for Israel. Now together with Ben-Zeev, he is proposing to hold a convention in the U.S. shortly to discuss "practical steps" for the proselytization campaign. These include the appointment of "Jewish missionaries", the establishment of information centres and the publication of books and pamphlets. The two men believe there are "million" who would welcome an opportunity to adopt the Jewish faith. — From the Jewish Chronicle, March 1961.

Note. — This Jewish faith, however, should have one revision, as we are stoutly advocating here through Hebrew literature, as well as the English Reporter. This revision will be the addition of the 53rd chapter of Isa. into the Sabbath Synagogue readings (removed some nineteen hundred years ago), together with the acceptance of the Messiah born in Bethlehem (Micah 5: 2), and given as an offering for sin, as set forth on this chapter. Much Funds are urgently needed for this.

This one and only revision, will greatly speed the spread and success of this movement over the world, in preparation for the fulfilment of the prophecy of Isaiah, chap. 66: 22, 23.

— Editor.

Ten Years Latter

Ten years have passed, but little has been heard of this movement. Many Gentiles, however, since the Six Day War, have turned away from Gentileism, and became Jews according to Romans 2: 28, 29 and Galatians 3: 27 to 29. They have in this way been grafted into the tame "Olive Tree", contrary to nature, and therefore resemble the fruit of the tame olive tree, and are marked by the sign, that was to identify an Israelite FOREVER. — Exodus 3: 15 to 18.

Many whole congregations in different lands have turned over to keeping the holy Sabbath day, which is the sign of an Israelite. Pastors

with their undivided congregations have in some places changed their weekly meetings from Sunday to worship on the true Bible Sabbath. No movement will succeed among the Gentiles in turning them to Judaism, without the one addition of accepting the Messiah, the child born in Bethlehem.

When Judaism as a people, or Israel as a nation, makes this one addition to their faith, then and not until then, will millions of Gentiles turn to this kind of Judaism, and the whole world will keep the Sabbath day as Isaiah's pre-announcement in Chapter 66, last verse. as follows: "For as the new heavens, and the new earth which I shall make, shall remain before Me, saith the Lord, so shall your seed and your name remain, and it shall come to pass that from one new moon to the other and from one Sabbath to another shall all flesh come to worship before me saith the Lord." — Editor.

EACH LOCAL CHURCH IT'S OWN SOVEREIGN

"Where the Spirit of the Lord is there is Liberty." — II Cor. 3: 17.

We have just received a request to pray for a certain church group in America where the higher authorities threatened to lock it up unless they paid all their tithes to the General Treasury of that body. How sad, that people's liberties are thus threatened, contrary to the WORD of Truth. The promise to the real elect is that they "Will be delivered from bondage into the glorious liberty of the children of God." — Romans 8: 21.

Each local church in the primitive days was it's own sovereign. There was no authority higher on earth, and each individual will also be directed through the Spirit by prayer, for our Saviour is still the "Head of the Church," and entirely efficient and able to direct it. His promise is real, "Lo I am with you, even to the end of the world." — Matt. 28: 20.

Our Saviour in Mark 10: 42, 48 forbid anyone exercising lordship over the church for Yahshua (Jesus) is the head over all.

"WAITING TO ATTACK ISRAEL"

BIRUT (UPIS). — Egyptian troops are waiting for the green light from President Sadat to go to war against Israel and are confident they will emerge victorious, War Minister General Mohammed Ahmed Sadek said yesterday.

Sadek was quoted by Beirut's English-language daily, "Star," as saying: "Egyptian forces have achieved the standard and ability to beat the Israeli enemy... the military command is waiting for the green light from the political command."

Asked why Egypt was not fighting, if he was confident of victory, Sadek replied: "The United Arab Republic is fully prepared. The timing is left for the political leadership whose orders we follow strictly."

NEWS DIRECT FROM ISRAEL

YOUNG AMERICANS WANT TO MAKE SETTLEMENTS HERE

Several hundred young people from the U.S. have approached the Jewish Agency settlement Department for help in setting up their own independent settlements in Israel.

The Department's Deputy Director, Mr. Abraham Rosenman, said yesterday that most of the young people gave as their reason their disillusionment with the materialistic American way of life, and their desire to build their lives away from the polluted urban centres where people live in loneliness and fear of violence.

Most of the applicants are young people in their 20s with university backgrounds. They stress in their letters that they wish to live in communal settlements — *moshavim* or *kibbutzim* — while at the same time using their academic qualifications. They all stress too that in the settlements they hope to establish, the use of drugs will be strictly forbidden.

Last week three "communes", numbering about 50 people each, turned to the Jewish Agency for help in furthering their aim to settle here. The Settlement Department is working on plans to absorb them.

LET MY PEOPLE GO

The eight-day vigil maintained at the Western Wall by Russian immigrants ended with a mass rally of youth groups minutes after the verdict in the Leningrad trial was received.

The crowd of several thousand grew still as Absorption Minister Natan Peled read out the sentences received by each of the nine defendants. Several of the recent immigrants standing behind Mr. Peled knew the defendants personally.

At 5.15 p.m. Y. Yankelevitch, representing the immigrants, announced the end of the vigil. He pledged that the efforts will continue to get the Jewish population out of "the big prison of the Soviet Union. We will not let the world rest," he said.

BEIRUT F.M. SEEKS POPE'S SUPPORT ON JERUSALEM

BEIRUT. — Lebanese Foreign Minister Khalil Abu-Hamad said yesterday that the Arab countries had agreed to launch a joint diplomatic offensive to prevent the "Israelization" of East Jerusalem. He was speaking on the eve of his scheduled departure for the Vatican to seek Pope Paul's intervention to "stop moves by Israel to change the character of the Holy City."

CAIRO STRESSES SADAT'S MILITARY FUNCTIONS

Egyptian news media yesterday referred to President Anwar Sadat as the Supreme Commander of the Egyptian Armed Forces, indicating that he has actively assumed the military authority given the President by the constitution.

Last day Sadat signed a decree raising the age limit for military service from 30 to 35 years, according to the Middle East News Agency, which said that the law had been approved by the National Assembly last January.

BID TO LEGALIZE HOMOSEXUALITY FAILS

The Knesset voted down, by 38 to 15, a private member's bill by Mr. Uri Avneri (Ha'olah Hazeh) which would have made homosexual relations between consenting adults, in privacy, no longer a crime.

(The act, at present, carries a maximum penalty of 10 years imprisonment. However, there have been no prosecutions for years, under a deliberate "turn-a-blind eye policy" on the part of the police and the State Prosecution.)

The three religious parties were solidly against the bill, and organized a full turnout to help defeat it. The other parties allowed a free vote, and all split down the middle, when it came to a show of hands.

41ST MURDER IN GAZA

GAZA. — Another dead body was found in the Gaza Strip this week — the 41st murder since the beginning of the year.

CANAL

While there is no shooting in the area of the Canal and soldiers on both sides move

freely in full view of each other, there is still caution and surveillance.

The Egyptians are seen building extensive bunker and trench systems, and the Israelis are busy improving their positions.

Israeli gunners have fired at overflying Egyptian warplanes apparently on observation missions.

War Curses

But actual warfare these days across the narrow waterway is usually limited to shouted curses. In an escalation of this curious confrontation, the Egyptians recently began flashing mirrors into the eyes of Israeli soldiers.

Queried about the advantages or disadvantages of soldiering along the Canal, one Israeli soldier replied: "Well, other bases inland have more officers sitting on your head. Here it is fine, plenty of sun and do what you want."

Meanwhile, an Israel Broadcasting correspondent who toured the area yesterday, quoting a local commanding officer, reported that high ranking officers, "including Russians," were often seen on the other side of the Canal, spotting the Israeli positions through their binoculars.

POPE CELEBRATES GOOD FRIDAY WITH CALL FOR AID

ROME (AP). — On this Good Friday Pope Paul VI called for help and protection for Christians in the troubled Holy Land. He said they needed "spiritual, moral and material aid."

His appeal was connected with a Good Friday tradition of collecting funds for Christian shrines in Jerusalem and other cities. It came two weeks after a dispute between the Vatican and Israel officials over the fate of Old Jerusalem, the city holy to Christianity, Judaism and Islam.

The Vatican's newspaper had accused Israel of slowly "suffocating" the Christian and Moslem minorities. It pressed for internationalization of the city.

Israel has vowed to hold on to the Old City it captured during the 1967 war. It promises free access to Christians and Moslems.

The Pope said Jerusalem was "the first stage of the testimony of the apostles."

In an earlier Good Friday ceremony, the pontiff knelt three times, prostrated himself and kissed a cross. He wore a red scarlet robe of mourning and no shoes.

Tens of thousands watched the 73-year-old pontiff lead scores of cardinals and bishops steps of the Via Doloroso. The day was warm and sunny for the cross-kissing gesture in the basilica of St. Mary Major.

Priest Ilarino da Milano said Christ died to rescue the world from the "empire of evil".

He said the Church was living through "a painful labor" in the years following the Ecu-

Christian pilgrims from many lands retracted the torturous step of Christ the Roman Catholic custodian of the Holy Land, Franciscan Father Erminio Roncarli.

More pilgrims took part than in any Good Friday since the 1967 war. For the first time since 1967 there were no reports of Arab-Israeli border shootings.

Bert Noles, of Nebr.

Remarks

This call by the Pope for help and protection of the Christians in the Holy Land, together with the accusation of the Vatican Newspaper accusing Israel of slowly suffocating the Moslems and Christians in the Holy Land is absolutely false. The Christians and Moslems here have the same protection by the Government of Israel that all Jews have and enjoy. They need no protection by the Pope or his emissaries.

I have lived in Israel and published this magazine now for almost twenty years, and have enjoyed the same liberty and protection by the Government of Israel, that I enjoyed as Editor of a religious magazine in America for eighteen years.

The resolution by the U.N. to make Jerusalem an International City originated at Rome, mentioned in the Pope's speech, and all of this propaganda with the exhibition of kissing the cross, points forward as a threat toward the renewal of the old war of Rome against the Jewish people and Jerusalem.

This was pre-announced by the prophet Zechariah, chapter twelve for this time, where he said Jerusalem would become a burdensome stone and cup of trembling to all nations, and all that burdened themselves with it would be cut to pieces, even if all nations came against Jerusalem.

Then in chapter 14 we are told plainly of the final crisis to which this propaganda is leading these nations.

We humbly ask our readers to pray for the Almighty to lead them by His Holy Spirit to make choice of the right side in this controversy over Jerusalem.

MORE HERE FROM RUSSIA

LOD AIRPORT. — Another group of Russian immigrants arrived here early last Friday morning.

The newcomers, mainly from Latvia and from Moscow, told reporters that the Soviet authorities have introduced new procedures for the requesting of exit visa. Now, when a family applies for a visa they are told a date on which they can expect an answer.

The immigrants claim that the method was designed to stop potential immigrants from pressing the authorities for an answer.

MEMORIES OF PAST EXPERIENCES

(Continued From Page 7)

2: 27; 11-37; Zech. 9: 9 etc.), would return and sit on David's throne. — Luke 1: 30-32 and Rev. 11: 1.

As we went through this room, however, we found a solid wall. It was the end of the interior of the pyramid, and surely represented the end of this Gentile age. This room therefore represents the period of time from the close of the second world war to the end. We believe the little room we entered first after passing through the low passage into this room, represents the time intervening between the end of world war two and the liberation of the Holy Land, when it became the nation of "Israel." This second low passage in the pyramid feet measured the length of the second world war.

Then the distance across this room brings us to the end of Gentile times, when the Heavenly Father will take over this war torn world, and our prayer, "Thy kingdom come, thy will be done in earth as it is in heaven," will be answered.

According to the pyramid measurement, this will take place on or before 1967, which also, like the other measurements of this, "Witness in the land of Egypt," (Isa. 19: 19) agrees with the Bible prophecies.

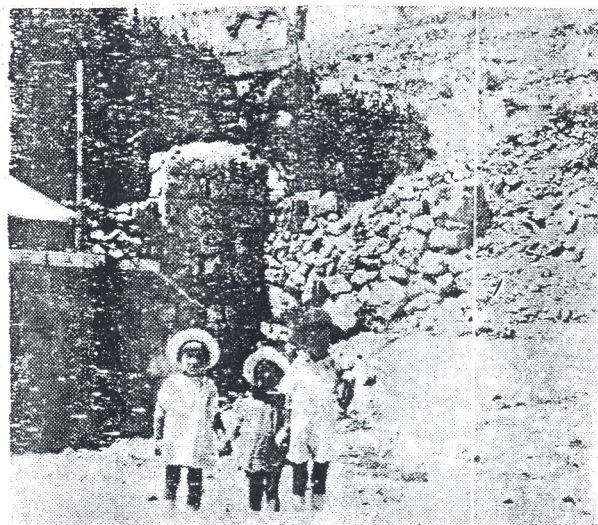

(To Be Continued) August 1971 Ad

Remarks, — It will be forty years next February when we visited Egypt and wrote about these measurements the first time. We read in Luke 21: 24 the pre-announcement of Yahshua (Jesus), that Jerusalem, (Speaking of the Old City) would be trodden down by the Gentiles UNTIL the times of the Gentiles be fulfilled. This part of Jerusalem was taken over by Israel in 1967, fulfilling the prophecy given in the Pyramid, and also announced by the prophets of Israel in the scriptures. The ending of Gentiles times, however, seems to have reference to the preaching and reception of the gospel more than the end of this age.

A great spiritual change has come over Israel since 1967, and the opposite over the Gentile world. — Editor.

THE HOLY SPIRIT

When the apostle Paul went to Ephesus he found some people there who had been baptized, but did not know there was any Holy Ghost. Acts 19: 1, 2. We fear there are many even today, who do not know about the presence, the power and blessings of the Holy Spirit. This power from heaven will be given to everyone who asks the Father for it. Jesus (Hebrew "Yahshua"), said "Ask and it shall be given you, seek and ye shall find, knock and it shall be opened unto you." Luke 11: 9. Then he says in verse 13: "If ye being evil know how to give good gifts unto your children, how much more shall your heavenly Father give the Holy Spirit to them that ask Him."

"Blessed are they that do hunger and thirst after righteousness, for they shall be filled." — Matt. 5: 6.
